

Nigerians in Diaspora Organization Europe
“In pursuance of national development”

Letter of Endorsement and Confirmation of Participation

To Whom It May Concern,

On behalf of the Nigerians in Diaspora Organisation (NIDO) Europe, we are pleased to extend our official endorsement of the Meet Africa Fashion Festival (MAFEST) 2025/2026.

Following careful review, we confirm our full support for this laudable initiative and authorise the use of the official NIDO Europe logo on MAFEST promotional materials, communications, and media kits.

We commend MAFEST for its mission of promoting African creativity, innovation, and cultural heritage through fashion. We believe that through this collaboration, MAFEST, together with its partners, will:

1. Foster greater awareness and global recognition of African fashion;
2. Provide a vital platform for emerging designers and SMEs;
3. Contribute to sustainable youth employment; and
4. Advance the broader objectives of cultural exchange and economic empowerment, which remain central to NIDO Europe's mandate for homeland development.

We are confident that this partnership will amplify the reach and impact of MAFEST while contributing positively to Africa's creative economy and Nigeria's international reputation.

NIDO Europe hereby recommends MAFEST to public and private organisations for sponsorship, collaboration, and support.

Please accept the assurances of our highest regards.
